Introduction

Now is the hour when we must say good-by. Soon we'll be leaving dear ole Coleridge High. We'll remember our school days and all the fun and trouble of times gone by.

As we leave we hope this book will be an inspiration and a token by which to remember us. As our dreams of our future unfolds we hope that this our "ENTRE NOUS" will ever remind us of the school where we prepared ourselves for the journey of life. May this our annual make our Alma Mater where we have prepared ourselves even dearer to you.

We hope that you will take seriously your preparation in achieving the goal of life which depends upon the foundation laid in school.

This book is our means of seeing the past after we have become a part of the future.

Class History

In September 1946, a group of excited kids entered Coleridge High School to begin their twelve year journey on the road from ignorance to education.

I'm sure it must have taken patience to help and guide them during their first year at school. This task fell into the hands of Mrs. Mabel Bray.

During the following seven years our knowledge was to increase much and our world to broaden. Our teachers during these years were: Mrs. J. M. Green, Mrs. Kalldolf, Mrs. E. H. Thompson, Mrs. Brookbank, Mrs. Julin, Mr. J. E. Sherard, and Mrs. E. C. Tatum.

In the fall of 1954 we were frightened by that monster everyone was calling high school. However we soon became accustomed to this new friend. Our homeroom teacher was Mr. Bobby Ray Callicutt. For our class officers we elected: James Hammer, Judy Brown, Carol Caviness and Melvin Kidd. During this year, Franklin Craven, Betty Ann Kidd, Annie McKinney and Earl Stout left us for various reasons.

As sophomores, we had Miss Vanner Neece, for class sponsor. Our class officers were: Barbara Walker, James Hammer, Maxton Smith and Roger Pritchard. Our activities began to cover a broader field during this year. Several members of the class were initiated into the Beta Club with some attending the convention in the Spring. Waiters and waitresses for the Junior-Senior Banquet were chosen from our class this year. These were: Doretha Moffitt, Beverly Lawson, Barbara Walker, Roger Moffitt, Melvin Kidd and Manley Teague. We were unfortunate to have more classmates leave us. Wedding Bells had called Carol Caviness, Mildred Cox, Faye Garner and Thelma Kidd. Jean Moser and James Coggins also left.

By the time our Junior year arrived we began to realize that our high school life was quickly passing. We were very fortunate in having Mrs. Earl Fitts, as our class sponsor. Officers of our class were: Roger Pritchard, Barbara Garner, June Brady and James Hammer. November 27, of this year will always be a

memorable time for us. On this date our class rings were received. Probably our Junior-Senior Banquet, "Moonlight and Roses", drew the most spirit and determination. We feel it was the highlight of our high school life. The theme was carried out in the decorations. The Seniors showed their appreciation taking us on a picnic to Aberdeen Lake.

While planning the Banquet we chose our class song, motto, colors and flower. They were as follows:

SONG: "Now Is The Hour"

MOTTO: "A Hard Beginning Maketh
A Good Ending".

COLORS: "Red and White"

FLOWER: "American Beauty (Red)
Rose"

June Brady, Judy Brown, Barbara Walker, James Hammer, Roy Lowdermilk and Maxton Smith were chosen marshals for the commencement exercises.

This year for the first time in its history our school had a May Day Program. Roger Pritchard and Judy Brown were chosen as attendants from our Junior Class.

With the passing of summer and before we could realize it, we found ourselves dignified seniors. It seemed hard to settle down to books and lessons routine again, with thoughts of the Junior-Senior Banquet, our annuals and other school and class activities in mind. Nevertheless, this seemed necessary, if we were to reach our goal of graduation. Our class sponsor for this year was Miss Vanner Neece. For class officers we elected Barbara Garner, Manley Teague, Judy Brown and Barbara Walker.

During this our last year at Coleridge High a six-man football team was organized.

After graduation our history will go in many directions. Some class members will probably go to college. All of us carry hopes for success and happiness in the future. However, our separate paths may lead us in different directions, we hope that we all shall meet the challenges of life with our creator as guide.

Class Prophecy

I, being the Secretary of the Senior Class of 1958, felt it was my duty to get all original class members together for a class reunion. Being the year 1968 it was quite a task locating everyone but I succeeded and then had them meet in my apartment.

Barbara Walker was my first guest to arrive. She told me she was teaching French in a local high school.

Lois Brown reported herself now married with three children, two of whom are members of Professor Maxton Smiths' Geometry class at Asheboro High School. Maxton says they are good students.

Barbara Garner and June Brady have their own apartment where they run a beauty parlor. They are both popular stylists and as a result are quite prosperous.

Tessie and Lessie Ritter have become style designers in New York City. They wore dream creations to our reunion.

John McCoy is still roaming the country searching for beautiful women, but thinks he has found his one and only, a brunette of Raleigh, N.C.

Pat Stout and Odell Cox are working together in an art studio in Florida. They do portraits of world renown people.

Doretha Moffitt is now living in Robbins along with her husband and two daughters. Just as we expected.

James Hammer is one of the most popular lawyers in Virginia, a Perry Mason in shrewdness.

Melvin Kidd is top salesman for the Chevrolet Company. He tells us he is designing a new model.

Roger Moffitt is coaching the football team at East Carolina College and he has a winning team.

Mary Ellen Williamson is a medical secretary for the local dentist Dr. John Chilton.

Wilhelma Cox has replaced Mrs. Fitts teaching Home Economics back in dear ole Coleridge High. She loves it.

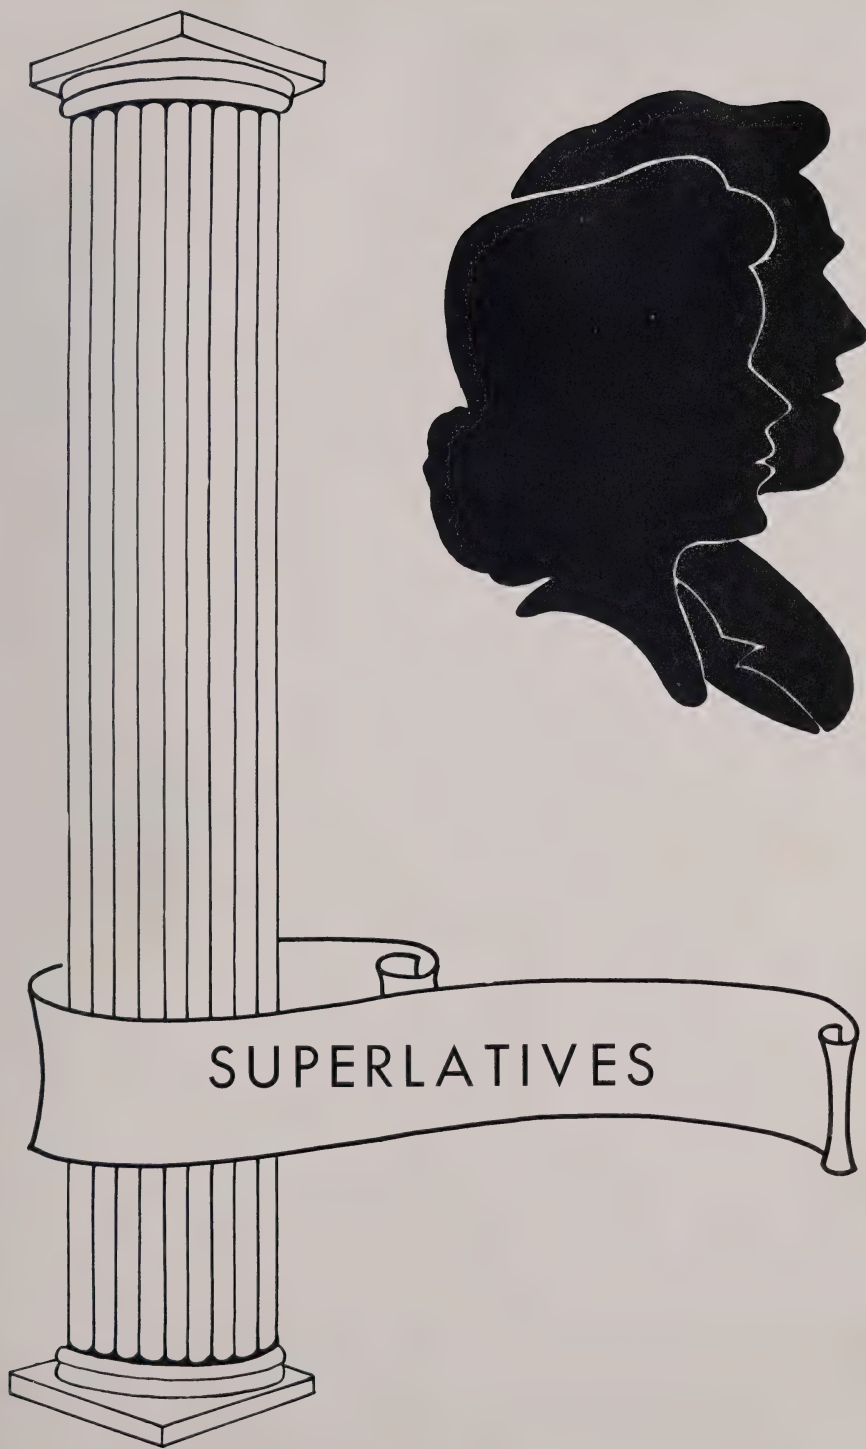

Beverly Lawson, is a nurse in the Durham hospital. We hear she gets a big salary from the boss man, Manley Teague.

Roger Pritchard is a master farmer in North Carolina. He owns his private plane in which he attends conventions.

These reports were quite surprising. Everyone began asking what I had been doing. I explained to them that I was employed as a private secretary and I had a very handsome boss to whom I was engaged.

This night of enchantment and gaiety was over all to soon. Everyone said good-bye and we agreed to meet again real soon.

Cynthia,

Here's to the many good times we've had together. I don't ever forget last night. I think maybe that was the turning point in my life because I've been thinking about it (the whole mess) and I'm beginning to realize just how silly (no, I can't even say that and mean it). Maybe you'll understand how I feel without me writing it down. Speaking of writing, please get those letters back! I won't be happy until I know they're destroyed. Cause you know as well as I do that's a ~~very~~ key to my employment after I graduate! (Hee!) 'The Gift of Love' is a wonderful thing.

Remember all of the G.H.P. Beta meetings and every thing that has happened in the Junior Class.

Since it's after the Banquet, don't forget the swell time afterwards. Incidentally, I saw those letters and he still has them. I'll get 'em the next trip, (maybe).

I could write a book but can't seem to find a starting place so I'll just tell you to remember me and all the talks and the fun we've had. Don't ever forget me and here's to those two brothers who say "we're in the Navy now" and maybe they'll get along just fine. Here's to them and the future that is ahead of them.

Remember the Tuesday night before the Banquet! Did we have fun. We'll all have to get together one more time before June 1st. Good Luck to you in the future. May God Bless you.

Love,
Doug Betty

To my dearest, Cynthia, when I heard a new joke

Cynthia,

Words just can't express how much your
friendship has meant to me, especially this year.
We've had some good times together. Remember
the Beta Club meetings, the rose bush. Both
of us were doing good that night. Weren't we?
Remember going to the agriculture building when
the snow was on the ground. Don't ever forget
our hugget and the good times each of
us had afterwards. One of those days when
you make a little phone call. I remember
all our little talks and lots of plans we've
made. Some of them didn't work out as
planned but I enjoyed talking them
over with you. Remember little talks? Thank you
for all the good times you've given me and I
hope there will be many more. Remember
all the good times we've had but most of
all remember me!!! May God richly bless
you and may all your dreams come true. (Especially
one) - I think it will. But of Luck always.
P.S. Remember all the fun we've had
Love you always
Linda

Synthia. I think you are a great girl.
I'll never forget you and all the fun
we've had and believe me if anybody
can have fun, we're the ones. You've
been a great friend and I've really
enjoyed going to school with you. I'll
really miss you and school life next year.
Keep C.H.S. going and I'll be seeing
you.

Love ya' lots

P.S. "May God bless you"

Dear Cynthia,
I have enjoyed going to
school with you. I would write
about a page, but you can't ever
tell what I might say. It just
wouldn't do to write much, because
so many people read it. I want
to thank you for sharing my troubles
and sorrows. It's been fun writing
notes in class, if it did hurt
a little. Well, I could write other
things but I'd better not. Thanks
for everything. Take care of
me next year and I guess for always. Maybe my
luck will come someday, then I can take
care of her. never forget you
always John

Tons of love
to a real sweet
girl. May success
and happiness
always be yours.

There are so many things I want to write but as space is limited.

Be seniors next year - It doesn't seem too long ago I started to go to school at Colbridge. A lot has happened since then and the strange thing about it all is when I look back I see that the years we thought would never pass have gone by so quickly.

Let's don't ever forget our Sunday after noon rides this year. And by all means our bus test. We really had fun even though I didn't get my license.

Remember March 10 after the Flick's Club Tournament? We went to Mplains. And the night I came home with you and Jimmy? And the rose bushes.

I think back and see if you remember a ball game at Carthage. We met a real sweet, cute boy that night. I can't remember his name but I don't think I could forget him even if I never knew his name. How about the night we went to see "Jail House Rock" at West 49?

Cynthia, I think you know without me even telling you how much your friendship has meant to me especially this last year. Sometimes I don't know what I would have done without you. You've been real understanding and sweet about everything and I'll always love you for it - I hope that in the years to come, no matter what happens we can remain as close as we are now.

There's no denying we've had our ups and downs and
maybe at the time they seemed more than that but
now, to me, they seem so small and silly.

I knew about all your plans and dreams and
I really and sincerely hope they come true, especially
about this summer.

Cynthia, don't ever tell any of the things that I have
told you. We've shared so many secrets that I have
forgotten half of them. You know how long my memory is.

Well there are many other things I could men-
tion but let's keep the past as sweet memories and
look to the future. Who knows what it holds but no-
matter what just remember our good times we've had
and all those we're going to have.

May God bless you and guide you through
out your life. Stay just as you are forever.

Love,
Gloria

P.S. I meant to ask you how much you charged in your
Lonely Hearts Club.

Cynthia,
May all the
success and happiness
be yours in the future. May
you deserve everything. May
all your dreams come true.
Stay as sweet as you are now
and you'll always be a swell
girl.
A friend,
Jane E. Hunt.

Best Wishes
and Good Luck.
